

**G. O. P. PLURALITY
IN HOUSE 149**

Biggest Ever Known—Senate Republican by 22—404 Electoral Votes for Harding.

With the size of President-elect Harding's electoral vote virtually settled at 404 to 127 for Cox, and the complexion of the new Senate set down as 29 Republicans and 27 Democrats, party leaders to-day awaited belated returns on eight contests in six States to fix the exact size of the Republican House majority.

Exclusion of the eight undetermined seats in the Lower House, the Republicans had 286 members to 127 Democrats and four of other designations, a plurality of 149—the greatest ever held by any party in the House. The nearest approach to it was in the Fifty-second Congress, when the Democrats had a lead of 148.

The seats still in doubt were the 4th Maryland District, 8th Minnesota, 6th Missouri, 16th, 21st and 23d New York, 1st North Dakota and 6th West Virginia.

A further possible Democratic upset appeared possible in the 4th Tennessee District where W. E. Cline, Republican, was slightly ahead of Cordell Hull.

Mrs. Harriman Heads Red Cross

Mrs. E. H. Harriman to-day accepted the General Chairmanship of the Red

Cross's annual roll call, which the New York Chapter will begin Nov. 11 and conduct two weeks in an effort to obtain 1,000,000 members, 100,000 of which must be obtained in New York City. Mrs. Harriman will be assisted by Mrs. Henry P. Davison, H. D. Burrell, Mayor Hyman, Major G. E. Daly and Col. James H. Perkins.
